
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.** This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 844-302-7772. Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>Network providers: \$5,500/individual, \$5,500/individual under family or \$11,000/family Out-of-network provider: \$11,000/individual, \$11,000/individual under family or \$22,000/family</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. The deductible is Embedded. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. Deductible year runs 07/01 – 06/30</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. Preventive care services are covered before you meet your deductible.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive care without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>No.</p>	<p>You don't have to meet deductibles for specific services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>Network providers: \$8,300/individual, \$8,300/individual under family or \$16,600/family Out-of-network providers: \$16,600/individual, \$16,600/individual under family or \$33,200/family</p>	<p>The out-of-pocket limit is the most you could pay in a year for covered services. The out-of-pocket limit is Embedded. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Premiums, balance billing charges, and health care this plan doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>
<p>Will you pay less if you use a network provider?</p>	<p>Yes. See www.PlatoBenefits.com or call 844-302-7772 for a list of network providers.</p>	<p>This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance</p>

		billing).
